

ELECTRONIC FUNDS MANAGEMENT POLICY

PURPOSE

Internet Banking offers an online facility (via a website) providing users with the ability to undertake various banking functions including checking balances, transferring funds between accounts, Direct Debit and Credit and B Pay. Where a Direct Debit facility is available there is minimal date security and therefore the School must implement internal control procedures to minimise risk and ensure accuracy of date transactions. It is an efficient means of receiving monies and processing payments.

SCOPE

To provide enhanced risk control and security over transactions.
To provide clear documentation of processes.
To provide enhanced services to creditors and debtors.

POLICY

All transactions must be authorised as per DET guidelines.
All documentation required for electronic payments will be obtained, completed, checked and authorised by the Principal and approving officers as per DET guidelines.
Internet Banking may be used for transferring of funds between accounts, payment of Creditor invoices and Local Payroll including "Direct Debit" and Staff reimbursements.
Setting up of initial transaction details and any changes will be the responsibility of the Business Manager.
All documentation to be stored securely.
Access to be controlled (Business Manager)
